

The church is taking advice from Synod and is following the Government's most recent Covid-Secure Rules relating to Places of Worship and for the groups who use our premises for a variety of activities.

We shall need to put risk assessments, deep cleaning, *etc*, into place prior to opening.

The church also must hold in mind that we have been advised that people over the age of 70 years should stay at home wherever possible. This includes our Service Leaders. At present we are therefore not considering opening for worship immediately, but we are hoping to put measures in place to open safely in August for private prayer.

Thank you for your understanding. God Bless,
The Church Secretary
